Fiber vanes, oil filter, intake filter element., carbon vane. ISO Vacuum Flange, Vacuum Bellows

Service Kits:

Les jeux de joints et lots de maintenance fournis par SchmiedVac, sont constitues, dans la plupart des cas, Au minimum des memes pieces que ceux des constructeurs. Dans UN soucis de rationalisation des gammes, Vous pouvez vous retrouver avec des pieces supplementaires qui correspondent a des modeles ou des versions similaires. Nous avons aussi ajoute des pieces qui Nous semblent indispensables dans uneOperation de maintenance mais qui n'ont pas ete prevues dans les lots de maintenance du constructeur. Conactez le service client pour plus d'informations.

Sterilizing Filter

Specifically design filters for medical compressed air plant, laboratories and hospital, for filtration of liquid, bacteria contaminations and impurities. The filter adopts die-cast aluminum shell to be anodized to eliminate corrosive pollution.
